Memo No. PNGBMC/ IQAC/ Ext/25

Date: 14.10.2023

IQAC, PNGB Govt. Model College, Kakopathar, Tinsukia allows various Extension works to actively engage with the local community. Such involvements foster a sense of responsibility and collaboration between our institution and the community we serve. Involvement in extension works enriches the learning environment within the institution. It also exposes students and teachers to diverse perspectives and challenges, promoting a more holistic education. The Extension Work dated 14th October, 2023 on "**How to Crack NEET Examination?**" in Collaboration with *Notun Diganta* is a valuable initiative of IQAC, PNGB Government Model College, Kakopathar, Tinsukia because it not only provides support but also guidance to aspiring medical students.

OBJECTIVES OF THE PROGRAM

- A. To provide targeted support in subjects like Biology, Physics, Chemistry etc.
- B. To offer counseling services to address the mental and emotional challenges associated with the NEET examination preparation.
- C. To explore options for financial support programs or scholarships to assist students with limited resources.

RESORCE PERSONS: The whole Extension Work explores to launch motivational campaign to boost students' determination and confidence and to share the success stories of those who succeeded in overcoming challenges for the NEET examination; we invited two NEET Qualified students and both of them are pursuing MBBS in reputed medical colleges of Assam.

- A. Mr. Anjan Kalita, NEET Qualified & MBBS Student of Lakhimpur Medical College and Hospital, Assam

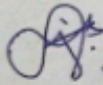

B. Mr. Pranab Kumar Thapa, NEET Qualified & MBBS Student of Assam Medical College and Hospital, Dibrugarh, Assam.

LEARNING OUTCOME:

- A. Enhanced understanding of key concepts.
- B. Increased confidence of the participants in facing NEET Examination.
- C. Improved problem-solving skills.

RECOMMENDATIONS

Success in the NEET Examination depends on strategic study plans, persistent efforts and staying updated with the latest patterns and syllabus changes of NEET Examination. Therefore, the whole program recommends the students to do consistent efforts, systematic approach and dedicated preparation to succeed in the examination.
